#### **SURVIVING ON THE SPIRIT OF ST. LOUIS AIRPORT**

Come hear how you can make your airport a safer place on which to operate. Meet the local airport personnel and the entire six member Regional FAA Runway Incursion Action Team (RIAT). They'll all be there to brief you on what is happening nationally, regionally, and at the Spirit of St. Louis Airport. In addition, they also want to hear what you have to say and answer any questions you may have about runway safety.

#### **HOW TO AVIATE, NAVIGATE AND COMMUNICATE TO STAY ALIVE ON YOUR AIRPORT**

#### **A joint presentation on Runway Safety by the Flight Standards, Airports and Air Traffic Services.**

Attendance at this seminar qualifies for the safety meeting requirement of the FAA Pilot Proficiency Program - WINGS. Pilots, who successfully qualify for a phase of Wings, need not accomplish a flight review (BFR). For additional information contact the St. Louis Flight Standards District Office, 1 800-322-8876, ext. 4835 or 314-890-4835.
